Project: JAFURAH COGENERATION PROJECT - PHASE II EXPANSION
(purchase order No. PN127000867 / S2517901)

Declaration of conformity with order according to EN ISO/IEC 17050-1

The company AUTEL, a. s. declares that the work has been performed in accordance with the valid project documentation, the conditions specified in the order and complies with the relevant laws, technical standards, fire and other regulations for use and operation.

The finished work is made without defects that hinder operation. The contractor is responsible for quality and completeness of performed work. Any defects and unfinished work will be removed within the agreed time.

For material list of supplied instruments and materials see chapter 3.1.
